

A person is walking away from the camera on a beach at sunset. The sun is low on the horizon, creating a bright orange and yellow glow over the water and sky. The person is silhouetted against the bright light. The water is dark with some white foam from waves. The sky is a gradient of orange and yellow.

## RENDEZVOUS

A pale September day  
I'm starring holes into the empty space  
The dream behind my eyes  
Is fading like a falling star that dies

Rendezvous  
With a touch of the past  
The time long ago  
Left a shadow that lasts

A cold September day  
I saw a smile behind an empty face  
The pictures in my head  
Revive the common times that we once had

Rendezvous  
With a touch of the past  
The time long ago  
Left a shadow that lasts

Rendezvous  
And the feeling that died  
A long time ago  
Is still so alive
